

Program Name	Description:
#1 in Learning	#1 in Learning (#1L) provides tutoring for K-12 students in mathematics, reading, and English language arts. Our desire is to groom the character and learning abilities of our students in order to help them meet and conquer the challenges of their educational career. We work with basic needs, special needs, and English Language learners through high quality instruction and motivational support. #1 in Learning (#1L) provee clases privadas para K-12 estudiantes matemáticas, en la lectura, y en las artes de ingles. Nuestro deseo es de mejorar el carácter y aprender capacidades de nuestros estudiantes para ayudarlos encontrar y conquistar los desafíos de su carrera educativa. Trabajamos con necesidades básicas, con las necesidades especiales, y con estudiantes aprendiendo la idioma de ingles con instrucción de alta calidad y apoyo motivada.
100 Scholars	100 Scholars tutoring program offers students in grades K – 12 a chance to boost their Reading, Language Arts, or Math skills and to reach their academic goals. Tutors instruct small groups of students, working at the same skill level, using computer-based lessons and activities or printed workbooks. Students 3rd grade and above may choose home study using computer-based instruction with a weekly tutor meeting. El programa de tutoría 100 Scholars les ofrece a los estudiantes en los grados K - 12 la oportunidad de mejorar su lectura, artes del lenguaje o matemáticas y alcanzar sus metas académicas. Los tutores enseñan a grupos pequeños de estudiantes que se encuentran en el mismo nivel de conocimiento, utilizando las enseñanzas basadas en la informática y las actividades o manuales impresos. Los estudiantes de 3er grado o más pueden optar estudio en el hogar usando instrucción por computadora con una reunión semanal con el tutor.

Academia de Enseñanza	Academia de Enseñanza, is 100% dedicated to the student’s educational success. We offer group sessions in your school or library and individual sessions at your home. Individual plans are created for each of our students. The parents receive reports for their awareness of their child’s individual progress. The sessions are typically twice a week. We want each student to excel and succeed.
Academic Team	Academic Team is a tutoring provider that focuses on math only. We have small class sizes and encourage students to ask questions – this way, students feel very comfortable asking their tutor how to do problems and will take on a more active role in their learning. Tutoring takes place one to two hours per week in the student’s home, school, or at a library.
Academic Tutoring	No description available
ATS Project Success	ATS Project Success offers students in grades K-12 tutorial services in reading and mathematics. We offer services online with one of our pre-programmed computers and dial-up Internet service at no cost to parents. Students work from the safety of their own home, and choose a schedule that meets their needs.
Babbage Net School	Babbage Net School is a for-profit organization that leverages the power of a personal laptop paired with a self-paced program to provide English and Mathematics lessons to students of grades K-12. In addition to receiving an individualized laptop computer, each student is also supported by accredited tutors from the National Tutoring Association (NTA) and our Homework Help Hotline.

Eduwizards, Inc.	Eduwizards.com offers result oriented one-on-one online tutoring that can be conveniently taken from student's home. We offer bilingual tutors who focus on specific state benchmarks. Most of our tutors are state certified, with a Master's degree or higher. Our open review system, whereby student reviews of tutors are posted at our website, helps us identify and employ only the best online tutors.
Grade Cracker LLC	A state aligned curriculum, established Assessment Test, and researched instructional strategies have enabled GradeCracker to provide high quality, individualized and focused tutoring in a safe online environment. A computer with an internet connection is provided free of cost for low income students and those who do not already have one so that they are able to benefit from our online classes. We serve Grade 1 to 12
Grade Plus Tutors	Our program design includes carefully constructed and sequenced lesson plans, individualized direct one to one instruction, and problem based learning for students in grade K to grade 12 in English Reading & Math. Our lessons are conducted online at the student's home under the supervision of parents/guardians. We provide 24X7 technical support for any technology related issue. For those students, who do not have computer & Internet connection, we provide the same free of cost.
Imagine Learning, Inc.	Imagine Learning Academy combines support from a trained teacher with an engaging computer program called Imagine Learning English. This combination provides individualized attention and effective instruction in reading and English language proficiency for students in grades K-8. For English learners, Imagine Learning English provides first-language support in eleven languages. With Imagine Learning Academy, your child will learn the skills needed to succeed in life.
Innovadia, LLC	We provide individualized, one-on-one tutoring in a safe online environment. We provide all the necessary equipments needed to take our classes free if the student does not already have them such as a computer and internet connection. Our program concentrates on mastery level achievement. This means that each skill is taught and assessed based on the ability of the student to understand and show evidence of scoring 80% or above on skill assessments.
Learn It Systems	Learn-It produces results! Our goal is to help every student achieve their full potential and be a successful learner. Learn-It has helped thousands of students nationwide learn the reading and math skills they need to succeed in school and in life. Our program features: small classes, professional instructors, personalized learning, reading and/or math, rewards program, snacks, convenient location.
Learning Solutions	Learning Solutions provides math and reading instruction at the student's school or home; or public libraries. Students receive personalized attention with individual or small group instruction by a quality tutor. Most students receive 2 hours of tutoring weekly. Instruction focuses on the skills needing the most improvement and is in alliance with state standards. Parents receive regular feedback on student progress.
Power of Math/	No description available
Project Life Impact	Project Life Impact is an individualized 24/7 online K-12 mathematics and reading/ELA service. The 30-hour self-paced program consists of 70,000 interactive lessons and daily support videos. No appointment necessary! The in-home program is delivered through company provided computers. Online tutors are college graduates or teachers. High quality audio and multi-media videos provide step-by-step instructions and motivation; perfect for special needs children. Spanish support is available.
Read and Succeed, LLC	English: "We offer an innovative and effective technology-based curriculum that provides services to students in the area of reading. It focuses on improving academic vocabulary and reading comprehension. Students access the program through a netbook, a handheld computer or a touchtone phone. Students do not need to own or purchase any equipment to access the program. All materials necessary for participation are provided free of charge."
