

**Ruidoso Municipal School District board of Education**  
**“Where Excellence is Expected”**  
**Board Goals**  
**2009-2010**

**Educational Plan for Student Success (EPSS) Target Areas: Caring for Self and Others, Literacy, and Math.**

**Vision Statement:** The Ruidoso Municipal School District and Community believes that all children can learn. Through a positive, caring, nurturing, and safe environment, our students will develop the social, ethical, and academic skills to set and achieve goals to fulfill their dreams.

**GOALS**

- Goal 1:** Ensure a respectful, safe, clean, green, and healthy school environment by creating a culture where all members of the learning community – staff, students and parents – are valued.
- Goal 2:** Expand educational opportunities to increase student achievement in reading and math by providing professional development, programs, and curriculum that support the district’s EPSS. Students will achieve at or above grade level, all schools will meet or surpass Adequate Yearly Progress (AYP), and graduates will acquire necessary skills to meet career goals.
- Goal 3:** Encourage open and collaborative communication between staff, students, parents, and community through mutual respect and trust.
- Goal 4:** In collaboration with staff, parents, and community develop a comprehensive Facility Master Plan that reflects being good stewards of all our resources and includes maintenance, playgrounds, and future needs.
