

Spring 2023

New vaccine requirement

Go to VaxViewnm.org to access your child's vaccination record

Note to parents & guardians:

Next school year, 2023-24, all **16 year olds entering 11th grade** will need a **2nd dose of MenACWY** for school entry.

-  Make an appointment now to see your child's health care provider over the summer, *or*
-  Go see your local pharmacist and ask about MenACWY for your 16 year old, *or*
-  Plan to get your child vaccinated at one of the Got Shots vaccination events taking place July 8-August 31

See all the Got Shots clinics statewide by using the QR code here. Check back frequently as more clinics are being added. You can view NM's school vaccination requirements by using the QR code as well!
