

RHS Senior Class of 2020 Continuous Learning Plan

1. Ranking and cumulative GPA will be based on 7 semesters.
2. All second semester courses for seniors will be listed as PASS or NO CREDIT on the transcript. Pass gives credit for the class but awards no GPA points. Pass will be based on Q3 grades for the students who passed Q3.
3. Students who failed one or more courses for Q3 will be contacted individually to provide work for those courses in order to give them an opportunity to pass and graduate.
4. Some students have courses on Odyssey Ware and they will have the opportunity to complete work online. Paper packets will be determined at a later date.
5. Students who failed Q3 in teacher taught classes will be given online work to earn their "pass" grade for the semester.
6. The deadline is May 13th to complete the work with a passing grade to possibly graduate. If that deadline is not reached, then they will have until June 17th to meet the graduation requirements for 2019-20 school year.
7. All of the students who have not completed their college application to meet the local ADC requirement will be contacted individually and that will be completed online. Mrs. Chase will complete it online with student permission if the student does not have the technology to complete the application.
8. All seniors will be given a reflection enrichment assignment on April 13th to finish out their year!

If you have any questions, please contact Mrs. Chase at chaseg@ruidososchools.org, or Ms. John at johns@ruidososchools.org or at 575-630-7906.
