Several Ruidoso Middle School (RMS) students reported to administration that another student was making threats against them and the school. The identified student was immediately isolated from the rest of the student body for questioning. School Resource Officer Beltran was on site for a pre-scheduled presentation and took over the official investigation. Ruidoso Police Department (RPD) Detectives supported the investigation and have informed us that there is no threat to student or staff safety. The student's conduct has been addressed in accordance with District policy.

Ruidoso Municipal Schools takes any threats seriously and promptly investigates. We want to thank School Resource Officer Beltran and the RPD Detectives for their immediate response and handling of the situation for our students and staff.
