

May 20, 2020

Good afternoon everyone.

This is Dr. Bickert, Superintendent of Schools with an informational update.

First, I would like to again congratulate the Class of 2020 on their recent graduation and say “thank you” to everyone who came out in support of our seniors as they made their way through town on Sunday afternoon.

As we officially close-out and end the 2019-20 school year, each school has specific plans in place for parents to be able to retrieve students’ personal belongings. Please contact the school for more information.

We have been informed that there will not be a PreK through 5 summer program this year; however, discussions continue at the state-level regarding an August re-opening of schools for the 2020-21 school year.

Beginning this Friday, May 22nd, registration opens for Pre-K and Kindergarten. Information is available online and paper registration packets will also be available.

I would also like to remind everyone that we will continue providing meals at WME and along our bus routes through at least July 1st.

Finally, I hope that everyone continues to stay safe and healthy.
