## RMSD Update

**Dr. Bickert**  
Superintendent

Welcome back everyone! The calendar has rolled over to 2023 and New Year's Resolutions abound! However, something that won't change in '23 is Warrior Nation's focus on academic and extracurricular excellence!

I'd like to formally welcome three new staff members to our central office team: Victoria Barrios, HR Specialist; Whitney Whittaker, STARS Coordinator; and joining us on March 1, 2023, Carmen Spann, Director of Finance. Please welcome these ladies to RMSD and reach out if you need anything.

On Tuesday evening, the School Board will vote on exchanging property with Presbyterian. The proposal consists of the hospital receiving the Nob Hill property while the District will receive significant acreage behind RMS, which will allow for emergency egress, as well as space for future development. The District is also in the final phase of finalizing our next five – year Facilities Master Plan.

Wishing everyone a wonderful 2<sup>nd</sup> semester! **Dr. B.**

P.S.: Seniors, only 116 days until graduation!
