RMSD Update

Dr. Bickert
Superintendent

Other than a snow day and multiple days of sub-freezing temperatures, there are two important issues to share in this week's column.

First, on the nightly news we are hearing updates about the daily events at the Legislature and many of the official bills dealing with education. One of the most important bills to keep track of is HB 130. This bill will require all schools to provide 1,140 instructional hours per year and repeals the Extended Learning Time Program as well as K – 5 Plus Program. Most likely, this bill will see numerous revisions and edits as it makes the journey through committees towards votes in the House and Senate.

Second, I would like to thank Mr. King, Ms. Prieto, and Ms. Ferguson for their support in helping us submit a concept paper on time for a potential multi-million dollar U. S. Dept. of Energy Grant. We would use these grant funds to help offset the cost of an HVAC replacement at Ruidoso High School. Keep your fingers crossed and stay tuned.

Please stay safe and warm this weekend! *Dr.B.*

SVP

Sierra Vista students are celebrating the 100th day of school with some of their favorite items to count.

WME

These future media specialists were excited to learn about everything in the library from our own specialist, Mrs. Cory.

RMS

Samuel McEwen is being recognized for earning a perfect score on his MOY Cognia Test. Amazing achievement, Samuel!

UPCOMING

- January 31 Warriors Basketball vs NMMI
Lady Warriors Basketball at NMMI
- February 2 Warriors Wrestling District Duals
- February 3 Warriors Basketball at Dexter
Lady Warriors Basketball vs Dexter
Warriors Wrestling – Girls Regional
Individual Tournament – February 4.

RHS

Congratulations to our RHS Cheerleaders for bringing home the 1st place trophy from the Rocket Spirit Blast Competition!
