

The Weekly Warrior

February 17, 2023

RMSD Update

Dr. Bickert
Superintendent

Amazing things happen on a daily basis in Warrior Nation!

Kudos to our student councils from both RMS and RHS for an outstanding showing at the state competitions! At SVP this morning, Ms. Hitt's 2nd graders presented their research on U.S. Presidents in museum-style format with each student playing the part of their president! Awesome job students!

Our RHS athletes continue to compete at the district and state level. The Warrior and Lady Warrior basketball teams wrap up regular season play this weekend and await district tournament scheduling. RHS cheerleaders will be competing in a pre-state competition at Artesia. Congratulations and best wishes to our seven wrestlers competing at state this weekend: Ailenn Salome, Samuel Sanchez, Trenton Hall, Bradley Belcher, Gavon Hall, Isaiah Chavez, and Timothy Sanchez. Go Warriors!

We've reached the half-way point of the Legislative session and most bills are still being debated and amended in the various committees. Specifically, please continue monitoring HB 102, HB 128, and HB 130.

I hope everyone enjoys the holiday weekend! *Dr.B.*

UPCOMING

February 20 Presidents' Day Holiday
No classes and central office closed.

February 20 – 23 Warrior & Lady Warriors
