

The Weekly Warrior

February 24, 2023

RMSD Update

Dr. Bickert
Superintendent

I hope it doesn't become redundant, but we had another great week in the classroom and with extracurricular activities in Warrior Nation this past week!

As referenced from SVP, Ms. Hitt's 2nd graders presented a living museum of past presidents. A video of the presentations may be found here:

<https://fb.watch/iUjvC5iky/>

Congratulations to our wrestlers who competed valiantly at State. Kudos to Isaiah Chavez for his runner-up performance! The RHS Cheer team continues to prep for State by competing in Artesia this weekend.

On Thursday night, our Lady Warrior basketball team dispatched Deming by double digits and advanced to play Tucumacari tonight (away) in the District Tournament Championship game. Meanwhile, our top-seeded Warrior basketball team hosts the District Tournament Championship game Saturday afternoon at 2 p.m. Hoping everyone can come out and pack the gym in support of the Warriors!

Have a wonderful weekend! *Dr. B.*

UPCOMING

- February 24 Lady Warrior Basketball
District Championship Game @ Tucumcari
- February 25 Warrior Basketball – District Championship
@ RHS Gym, 2:00pm
- RHS Cheer at Artesia Competition
- Warrior Track & Field at Gadsden
- March 1 Lady Warriors Softball at Goddard (Scr.)
- March 2 Lady Warriors Softball at Hatch

SVP

Ms. Hitt's second graders put on a wonderful presentation of a living museum of past presidents.

WME

Ms. Nas' class is using fractions and equivalent fractions to design street maps.

RMS

RMS Art Students displayed their totem, stack, and sculpture creations at Parent-Teacher Conferences!

RHS

RHS students in the Teacher Academy Program visited WME and worked with 5th graders on multiplying fractions.
