

# The Weekly Warrior

April 6, 2023

## RMSD Update

**Dr. Bickert**  
Superintendent

This morning, SVP hosted registration for Pre-K, Kindergarten, and our first-ever 3 – year old classes! We are very excited to be the first district in the state to commit to a 3-year old program. A special thank you to our RHS cheerleaders and athletes who helped welcome our new Wee Warriors!

Facilities update: Currently, there is ongoing nightly HVAC work at WME and as the weather warms we will have paving work at both WME and RHS.

State assessments: Students at WME and RMS are preparing to take their state assessments. Please encourage your child to do his/her best and make sure your child gets plenty of rest the night before the test.

Budget season: We are busy putting the operational budget together for the 2023-24 school year. Due to the longer legislative session, along with a state budget surplus, we have more mandates and requirements to comply with in the budget. Another key component that must be included with the budget is the official school calendar, which should be ironed out over the next two weeks. Stay tuned.

Wishing everyone a Happy Easter weekend! *Dr.B.*

## UPCOMING

**NO SCHOOL April 7-10, 2023**

- April 8 Track & Field Ruidoso Invitational  
Warrior Baseball vs Dexter
- April 11 Warrior Softball vs Dexter  
Warrior Baseball at NMMI
- April 14 Track & Field Cloudcroft Invitational  
Warriors Softball at Tularosa

## SVP

SVP 2<sup>nd</sup> graders enjoyed a spring field trip to the Spencer Theater.

## WME

Current RHS athletes/former WME students returned to cheer and inspire our students to do their best on the upcoming spring tests.

## RMS

The RMS community is participating in the One Book, One Community Program by reading the adventure novel *Distress Signal* by Mary E. Lambert.

## RHS

Eco Servants partnered with RHS students on erosion control projects which included digging trenches, placing waddles and planting grass seeds.
