RMSD Update

Dr. Bickert
Superintendent

We made it! We've reached the end of the official required calendar of school days for the 2022 - 23 year. This has been an amazing year in Warrior Nation and I'd like to congratulate all the students for a successful year, thank all our staff for the great things they do each and every day, and our parents and community for their support.

SVP, WME, and RMS will continue with extended learning and fun programs, while RHS offers students the opportunity to recover credits towards graduation beginning Monday, June 5, 2023.

Staff will have the opportunity again this year to participate in high level professional development sessions during Summer Institute, which starts Monday, July 31, 2023.

After this edition, The Weekly Warrior pivots to summer mode, with editions coming out in mid-June and July.

Have a super summer! *Dr.B.*
