RMSD Update

Dr. Bickert
Superintendent

Welcome back everyone! The 2023-2024 school year is off to a great start. It was great seeing all of our staff at Monday's Welcome Back Breakfast and a joy seeing students yesterday and today.

One of our goals and challenges this year is to bring more fun into our daily lessons and assignments. The overwhelming success of our math accelerator classes at SVP and WME, as well as the incredible student response from our last two June programs, has reinforced the simple notion that combining fun and learning creates noticeable gains and long term positive results. So parents, be prepared for hearing about more school days that are packed with fun (and learning)!

Two start-of-the-year shout outs: The RHS Band was amazing performing at our Back to School Staff breakfast. They played the National Anthem, the Warrior Fight Song, and in less than a week, pulled off an amazing version of "Everybody have Fun Tonight!" Thank you to Lincoln County Backpack 4 Kids for the donation of the backpacks! Have a great weekend and have fun!

Dr. B.

UPCOMING

August 10

RHS Football Scrimmage vs. Hatch
5:00 p.m.

August 17

RHS Football at Gadsden
7:00 p.m.
