## RMSD Update

**Dr. Bickert**  
Superintendent

The first full week of the school year is in the books! SVP welcomed our new Pre-K students (Class of 2037) and also welcomed 3Y students for the first time ever (Class of 2038)! It is amazing to see those years in print. Equally amazing, the District's very first batch of Pre-K students started 8<sup>th</sup> grade this year.

A special shout out this week goes to all SVP and WME parents who drop-off and/or pick-up their students. The beginning of the year traffic has been as safe as ever, but less congested and time-consuming, so thank you and please keep up the great work! Special thanks also going out to Chief Chavez and Ruidoso Police Officers for their support.

Next Friday night we will be hosting our first home football game of the season and there is a significant difference for this season. As the New Mexico Activities Association (NMAA) has done for all playoff events and many other districts have done, we are moving to e-ticketing, via GoFan. Detailed information will be shared and posted early next week so you can purchase your tickets early.

Have a safe, wonderful weekend! **Dr. B.**

## UPCOMING

August 19 Lady Warriors Volleyball Scrimmage  
@ Cloudcroft  
Warriors JV Football vs Roswell 10:00am

August 22 Lady Warriors Volleyball @ Cloudcroft  
Warriors Soccer @ Lovington

August 24 Lady Warriors Volleyball @ Cloudcroft
