

The Weekly Warrior

September 8, 2023

RMSD Update

Dr. Bickert
Superintendent

We are nearing the midpoint of the 1st quarter grading period. I encourage all parents to be checking up on your students in Powerschool, especially parents of our 6th and 9th graders. If you notice your child struggling in a class, please reach out to your child's teacher(s).

I really enjoy when I share a district message and then we actually see it happening. This week I refer back to the August 11th edition where I shared that a goal this year was to infuse more fun into our lessons and learning. Viola, take a look at the opposite column as each school's shared message this week involves a fun learning activity. Okay, if you're not a heights person, perhaps scaling the rock wall wouldn't be considered fun, but, most students did have a blast!

Tonight the Warriors host Robertson at Horton Stadium with kickoff set for 7 p.m. Reminder that all tickets must be purchased online via <https://gofan.co> Hope to see everyone there, but in case you can't make it out to Horton Stadium tonight, you can hear all the action on 101.5 FM The Kid.

Have a safe and wonderful weekend! *Dr.B.*

UPCOMING

- September 9 Braves Volleyball at APS Tournament
- September 11 Braves Volleyball vs Mt View 4:30pm
- September 12 Warriors Volleyball vs Hot Springs 4:00
Lady Warriors Soccer vs Lovington 4:00
Warriors Soccer vs Lovington 6:00pm

- September 14 Warriors Volleyball vs Tularosa 4:00pm
Warriors Soccer vs Artesia 4 & 6 pm
- September 15 Warriors Football vs Cobre 6:00pm

SVP

Warrior Football players continue the tradition of reading to Wee Warriors on Fridays!

WME

Our 4th graders' science experiment involved dissecting squids. Fun, but smelly!

RMS

8th graders created "Give one, Get one" kindness posters to display throughout the school.

RHS

RHS students were challenged to scale the New Mexico National Guard "rock wall."
