October 7, 2022

## RMSD Update

**Dr. Bickert**  
Superintendent

As we reach the end of the first week of October, we also are fast approaching another important milestone, the end of the first grading period. While it may seem like only yesterday that we were starting the school year, we have been in session for over 40 days already!

On Thursday and Friday, October 13<sup>th</sup> and 14<sup>th</sup>, SVP and WME will be having Parent-Teacher Conferences, and I encourage every parent to attend these important meetings. Should your child need some extra support, both schools offer after school tutoring (and fun) programs on Tuesdays and Thursdays. Ask your child's teacher for more information!

Across the District, we continue to put an emphasis on learning and fun, which we try and celebrate each week in our schools' updates. Another important focus area is our attention to our students' social/emotional learning (SEL). Each school has a dedicated team supporting our students and families. Our SEL word of the month for October is "accountable" – being responsible for all that we do.

Have a wonderful weekend! *Dr.B.*

## UPCOMING
