RMSD Update

Dr. Bickert
Superintendent

With this morning's first snowfall of the season, it is an appropriate time to share our winter weather information.

First and most importantly, if at any time you feel conditions in your area are unsafe to send or bring your child to school, please keep them home. Simply put "travel safety" on your note when they return to school.

If there is not a decision made on the night before, a determination is made regarding school closure or delayed opening at 5:45 a.m. and that decision is shared with all media and social media outlets, including robo-calls and robo-text messages, beginning at 6:00 a.m.

If a second or updated announcement is needed it will be communicated at 8:00 a.m. Again, if conditions in your area are unsafe, keep your child safe at home!

Sending best wishes to the RHS Cross Country team competing for a state championship in Albuquerque this weekend. Go Warriors!

Have a wonderful weekend! *Dr.B.*

UPCOMING

November 11 Cross Country State Championship
at Albuquerque Academy

November 12 RHS Lady Warriors Volleyball
State Tournament schedule to be released

November 20 – 24: Thanksgiving Holidays
No classes and Central Office closed

SVP

Congratulations to
the 2023 – 24 SVP
Wee Warrior
Princess Mi'Amorah
Rocha.

WME

These WME students
paused their after
school learning and
fun just long enough
for a picture!

RMS

RMS students
celebrated the end
of the first quarter
with a neon-themed
dance party!

RHS

National Honor
Society students
made college visits
to New Mexico Tech
and the University of
New Mexico.
