## RMSD Update

**Dr. Bickert**  
Superintendent

As this edition hits your inbox, our Lady Warriors are setting serve against Hot Springs on the final day of the state volleyball tournament. The ladies won their opening match yesterday, against Navajo Prep 3 sets to 0, and then dropped 3 sets to Robertson, before rallying with a victory over Thoreau. We congratulate our volleyball players and wish them well in their remaining games.

Tonight, the Warriors face West Las Vegas at Horton Stadium in the football quarterfinals. Kick off is set for 6 p.m. and all tickets must be purchased online.

You may still do so here:

It continues to be an incredible fall semester in Warrior Nation with great things happening daily in our classrooms and with our extracurricular sports and activities. Thank you for supporting our students!

Have a wonderful weekend!
