## RMSD Update

**Dr. Bickert**  
Superintendent

We've reached the end of a fantastic Fall semester in Warrior Nation. Our students have excelled in the classroom and in extracurricular activities/events!

Congratulations and thank you to Coach Kief Johnson on a third State Championship! Coach Johnson has decided to step away from coaching football for next year but will remain an integral part of RHS as Activities Director. We are saying goodbye and sending best wishes with Mr. Clint Taylor, our Director of Finance, who after six years with the District will be relocating to Artesia.

Wishing everyone a safe and happy holiday season! *Dr.B.*
