## RMSD Update

**Dr. Bickert**  
Superintendent

Right Now! Warrior Nation is balancing gratitude and sorrow.

First, our thoughts and prayers go out to those in our community who suffered loss due to the devastating McBride Fire. Numerous organizations have come together to help support the fire victims at this time. If you know of someone from afar looking for a way to help, we recommend a donation to the Community Foundation of Lincoln County's (CFLC) Shelter Fund. The CFLC's Shelter Fund was created to lend financial assistance to local residents who've been displaced due to fire, flood, or natural disasters. More information may be found here:

We are extremely grateful for the swift actions of our community's First Responders and our Ruidoso Schools' staff in the safe evacuation of all students from our buildings last Tuesday. Everyone made sure that our students were safe and protected despite the challenges of the day. We hope to never have to deal with an emergency situation, but know we will continue to review our emergency plans and practice emergency drills for when those are needed.

This weekend we are again under a "high wind warning," and we encourage everyone to be safe.

Thank you again to all! *Dr. B.*
