RMSD Update

Dr. Bickert
Superintendent

Right Now! Seniors, there are only 50 days until graduation! Happy April Fool's Day! No April Fool's, there are truly only 50 days until the Class of 2022 walks across the stage at graduation! Graduation is scheduled for Saturday, May 21, 2022 at 10:00 a.m. at Horton Stadium.

Spring is the busiest time of the school year as we have more students participating in athletics and activities and it seems like a game, event, or program is scheduled for each of our schools every night. Spring is also the time when students are the busiest with academics, as we try to finish the year on a high note. Congrats to all the students and staff at WME for a successful week of state testing this past week. RMS and RHS students will soon be asked to complete their own state tests and final exams.

Spring is also busy for all of us at central office as we begin the budget and planning process for next school year. Additionally, we are developing our Facilities Master Plan, which is a five year planning document to guide us on what needs to be done to, for, and with our school facilities. We will be having a community meeting on Monday, April 11, 2022 beginning at 5:30 p.m. in the Board room to discuss the Facilities Master Plan and everyone is encouraged to attend.

Have a great weekend! *Dr. B.*
