RMSD Update

Dr. Bickert
Superintendent

Right now! We have reached the official end of the 2021-22 school year! We experienced and overcame so many things this year that everyone should pause, take a breath, and say, "We did it!"

The social-emotional learning (SEL) word of the month for May is "teamwork," which means the collaborative effort of a group to achieve a common goal, or to complete a task in the most efficient, effective way possible. It was the teamwork of everyone in the District that made 2021-22 a very successful year. Each day, as I pass by Ms. Leslie's office, my eyes are drawn to a simple phrase that reads, "Teamwork makes the DREAM work!" I couldn't agree more.

Despite coming to the end of the school year, learning and fun are not going away! Our Extended Learning Time Fun Program starts up on Monday, June 6, 2022 for each of our schools and we anticipate a record number of students to participate!

Whether you are venturing far and wide this summer, or staying relatively close to home, please be safe and have a wonderful break. *Dr.B.*

P.S.: Only 73 days until our Welcome Back Breakfast!
