RMSD Update

Dr. Bickert
Superintendent

Right Now! Our Extended Learning Time Fun Programs at each campus are quickly coming to a close, but the overwhelming response from students has been, “this is awesome!” When we first started promoting the program back in February as “learning & fun,” some seemed doubtful and were thinking that it would be dreaded ol’ summer school. NOT! Plans are already in the works for more “learning & fun” next June, so mark those calendars!

Something we all have known for a long time, but now, the rest of the country knows: Angie Lane is awesome! Congratulations to Angie, who was just nationally-recognized, along with 20 other Food Service Directors, for making a difference in the 2021-22 school year!

Look for the next edition of *The Weekly Warrior* mid-July, and in the meantime, continue to enjoy your time away, be safe in all travels and adventures, and recharge for August! The 2022-23 school year is going to be amazing!
