RMSD Update

Dr. Bickert
Superintendent

Another full week of school in the books!

I would like to send out a "thank you" this week to all of our SVP and WME staff and parents, who helped make drop-off and pick-up more efficient. Both processes are moving smoothly and we appreciate your support and patience. The next "thank you" goes to the Ruidoso Police Department who have provided traffic flow and traffic direction assistance, at SVP and WME combined, we have nearly 900 students and keeping them safe is priority one! Great things are happening daily in all four of our schools and we welcome you to come and experience the fun and learning with your child(ren). In order to help us maintain safety in all buildings, we strongly encourage you to notify the school ahead of time and pre-schedule your visit.

If you have extra time on your hands, we'd love to have you volunteer! Becoming a volunteer starts with a district-provided background check. Please contact central office to start the process. If you are needing employment, we can always use substitute teachers and bus drivers. Again, please contact Central Office (575) 630-7000 for more information.

Have a wonderful weekend! Dr. B.
