RMSD Update

Dr. Bickert
Superintendent

Every day across our four schools, our students and staff are combining learning and fun! Here's something that is almost unheard of...SVP and WME students are having a blast in Math Accelerator classes! (Parents, ask them!)

Special thanks to Harley Estes and the wonderful staff at Albertsons for their support and display of Warrior football jerseys (see below). Congratulations to Coach Johnson and the Warriors for their 42-0 Thursday night victory at Chaparral last evening. Go Warriors and have a wonderful holiday weekend! **Dr. B.**
