RMSD Update

Dr. Bickert
Superintendent

The New Mexico Public Education Department has released the general results of last spring's state assessments and continues to release information which will help us better align our curriculum and instruction for this year. Individual student reports for parents should be available soon.

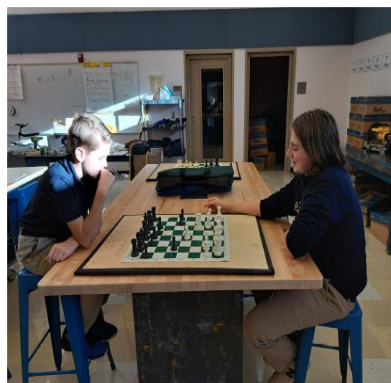

The positive news for today is that we have 112 students from grades 3rd – 8th, who scored at the highest level (Advanced)! Twenty-one (21) of our scholars scored Advanced in both reading and math! To celebrate these students, an awards assembly will be held in October. More information to come so stay tuned.

This coming week is Homecoming week, and I'd like to invite everyone to come join our student athletes and band at our Homecoming Bonfire on Wednesday evening (corner of Hull & Warrior Dr.) beginning at 6 p.m. Friday night's Homecoming football game is against the Tularosa Wildcats at Horton Stadium, with kickoff at 7 p.m.

Have a wonderful weekend! *Dr. B.*

UPCOMING

- September 19 Warriors Volleyball vs. Tularosa 5:00 PM
- September 20 Braves Volleyball vs. Tularosa 4:30PM
Warriors Volleyball vs. Hatch 4:00 PM

SVP

Students demonstrated the "right" way to behave at the Positive Culture Initiative assembly!.

WME

Third grade students are building numbers up to the ten thousands place during a Math Accelerator class.

RMS

Chess Club Members, Keeton Cox and Ben Lewis experiment with strategic opening moves in preparation for an upcoming tournament.

RHS

Pro-start students harvested fresh carrots from the RHS garden. Student chefs will use the harvest to make salted caramel carrot cake cupcakes!
