

The Weekly Warrior

September 30, 2022

RMSD Update

Dr. Bickert
Superintendent

Tomorrow, the calendar changes to October! The leaves and the temperature are changing to usher in fall, but something that doesn't change is our Wee Warriors, Braves, and Warriors accomplishing great things in the classroom and in extracurricular events and activities!

I want to send a shout out this week to our band and choir students. Three choir students, Gloria Jeremias, Ana Rodriguez, and Alora Shaver, have accepted the challenge of auditioning for All State next weekend. Five of our band students, Everette Chittenden, Alyson Clark, Ramie Kinney, Liane Perez, and Michael Sanchez, are also rehearsing for their All State auditions later in the month. However, before school hours this week our marching band was hard at work putting the finishing touches on their halftime show which they will perform tonight. I hope to see everyone at the game tonight supporting the Warriors and the RHS 24K Band of Gold!

Have a great weekend! *Dr. B.*
