RMSD Update

Dr. Bickert
Superintendent

The occasional positive Covid-19 case continues to activate the District's Rapid Response Team, and continues to impose mandatory quarantine periods for unvaccinated adults and students; Ruidoso Municipal Schools has entered a period of "normalcy" which we haven't experienced since last March. I would like to take this opportunity to share and update something incredible. From March 16, 2020, which was the first day of school closures in New Mexico, through March 16, 2021, we served/distributed 273,789 meals to the students in our community! (Current total surpasses 310,000!) Thank you Director Lane, our Food Services Team and Transportation partners and everyone who helped out in this incredible venture.

We are three weeks away (Wednesday, May 5, 2021) from finding out eligible attendance numbers for our Class of 2021 graduation ceremony. Please continue doing your part to help Lincoln County stay turquoise by wearing a mask, washing hands often, avoiding unnecessary travel, and avoiding large indoor gatherings. Every safe and healthy choice we make makes a difference for all of us!

Thank you to everyone in our extended community for your ongoing support of Ruidoso Municipal Schools! Have a great weekend and *Don't Stop Believin'!*

Dr. B.
