RMSD Update

Dr. Bickert
Superintendent

As this edition of *TWW* goes out to inboxes far and wide, preparations are being made for the graduation ceremony for our Warrior Class of 2021! (Reminder: Graduation will be held Sunday, May 16, 2021 at Horton Stadium, beginning at 5 p.m.). I am very much looking forward to reading the names of the graduates as they receive their diplomas and seeing the stands full of families and friends. We are proud of your accomplishments.

I would also like to go back to last year's graduation and again say "thank you" to everyone who came and supported the graduation celebration through town. We were not able to provide the Class of 2020 with a traditional graduation ceremony, but Warrior Nation stepped up positively while we were under very restrictive Covid-19 health and safety protocols.

Our Pre-K through 11th grade students have one final week of in-person learning days left in the scheduled school year. Ruidoso Municipal Schools can proudly say that we have offered the maximum in-person learning time for our students during this school year. Thanks go out to our School Board for prioritizing in-person learning time and a special thank you goes out to each and every employee of the District for going above and beyond in the service of our students this school year. THANK YOU!

Have a great weekend and *Don't Stop Believin'!* **Dr. B.**
