## RMSD Update

**Dr. Bickert**  
Superintendent

The first order of business this week is to send a “Thank you” to our entire educational team in honor of National Teacher Appreciation Week. The work that has been asked of us is different than anything we have ever experienced and the Ruidoso Municipal Schools staff has risen to the occasion!

The next “Thank you” goes out to our Calendar Committee for their work on the proposed 2021-22 District Calendar. We heard the overwhelming opinion of our staff and continued with a traditional calendar (178 instructional days) as well as maintaining optional extended learning time programming. As soon as the calendar receives Board approval, it will be shared universally.

Lincoln County earned the turquoise designation this week, meaning that we can have 75% capacity at Horton Stadium for the graduation ceremony for the Class of 2021 on Sunday, May 16, 2021! Despite the expanding opening of our county, we continue to experience positive Covid cases in our schools and community. Please be reminded that many of the health mandates schools are required to follow are more restrictive than those shared in the media. Please continue to be vigilant and follow the health and safety guidelines in our on-going battle with Covid-19.

Happy Mother’s Day to all moms! *Don’t Stop Believin’!*

*Dr. B.*
