FREE TUTORING REGISTRATION FORM

October 12, 2010

Dear Parent/ Guardian at **SVP, WME, RMS, or RHS**:

Great news! Your student may be eligible to receive **FREE tutoring** under the Title I Supplemental Educational Services (SES), part of the *No Child Left Behind Act*. The goal of the SES program is to help your student do well on the upcoming State test and to succeed in school. **Free tutoring** will occur outside of the regular school day in a safe environment where your child will make productive use of his/her out-of-school time.

Please complete and submit this form to your student's teacher, as soon as possible, but no later than **November 5, 2010**.

Listed on the attached chart are the **Free Tutoring** programs available for your student. The last page is the registration form. Please list your top three choices on the form, and return the form to your student's teacher.

When choosing which **Free Tutoring** program is best for your student, you may want to ask these questions:

- ❖ When and where will the tutoring take place (at school, home, a community center)?
- ❖ How often and for how many total hours will your student be tutored?
- ❖ What programs, by grade levels and subject areas, are available for your student?
- ❖ What type of instruction will the tutor use (small group, one-on-one, or the computer)?
- ❖ What are the tutors' qualifications?
- ❖ Can the tutor help if your student has disabilities or is learning English?
- ❖ Is transportation available to and from where the tutoring will take place?
- ❖ Will tutors undergo background checks prior to working with your student?
- ❖ In what format will you be notified about your student's progress and how often?

If you have any questions about any of the information or would like some help with this process please do not hesitate to contact: **Patty White, Associate Superintendent, 575-258-4943** or whitep@ruidososchools.org. **Thank you!**
